Spare parts list

Vibratory roller

CA2500D/PD s/n 10000167xxA015825 -

Engine: Cummins QSF 3.8 (IV/T4F)

General information

Use only authorized parts. Any damage or malfunction caused by the use of unauthorized parts is not covered by Warranty or Product Liability. Any unauthorized use or copying of the contents or any part thereof is prohibited. This applies in particular to trademarks, model denominations, part numbers, and drawings.

Instructions for use

This spare parts list contains no safety regulations and is merely intended to assist in the ordering of spare parts.

For information about operating, servicing, or repairing, the relevant Safety and operating instructions must be consulted at all costs.

Please observe the safety instructions listed in the relevant Safety and operating instructions!

This technical drawing is an exploded view of a mechanical assembly, likely a pump or a valve. The components are numbered 1 through 25. The main assembly consists of a large circular housing (1) with a central shaft (9) and a central valve or piston (18). The housing is secured by a flange (2) with multiple bolts (15). The shaft is supported by bearings (3) and sealed by O-rings (19). A cover plate (8) with a central hole (7) and a gasket (10) is shown on the left. A detailed view of the shaft assembly is shown at the bottom, including the shaft (9), a seal (21), a bearing (22), a housing (23), a bearing (24), and a seal (25). Other components include a small valve or plug (13), a pin (12), a screw (20), a pin (17), a pin (4), and a pin (5).
